

Keeping aviation moving.

Your strategic sourcing partner in aviation.

Who we are

MATS Corp. is a strategic aviation sourcing partner supporting airlines, MROs, operators, FBOs and repair stations with aircraft parts, repair coordination, FDR support and time-critical solutions.

We combine technical understanding, responsive service and one-to-one attention to help our customers keep their operations moving.

Why MATS?

-  **SPEED**
When timing matters.
-  **PRECISION**
Understanding the requirement.
-  **ONE-TO-ONE SERVICE**
Direct communication.
-  **TECHNICAL EXPERTISE**
We speak the language of aviation.
-  **DOCUMENTATION FOCUS**
Because the paperwork matters.
-  **A TRUE PARTNER**
Beyond a transaction.
